Some of these comment may have been scanned using Optical Character Recognition and have not been verified as 100% accurate. Please refer to the original hard copy in cases of irregularities.

Italy

Italy disapproves the document ISO/CT 184 SC 4 N_Funchal "Prcedure for transposing externally developed specifications into ISO deliverables" for the following reasons:
the adopted procedure do not ensure any information and transparency on the processes and decisions taken.
The actual participation in the Sub Committee activities often represent only personal interest with limit involvement of industries.
